

Town of South Bethany
South Bethany Charter and Code Committee (SBCCC) Report
July 9th, 2021

The SBCCC met in person on June 18th for the first time since the Covid 19 pandemic required changing to remote participation. Joe Hinks attended the meeting to explain his need for code changes regarding structures in the rear setbacks of town properties. Joe would like to clarify the code to allow for certain types of structures not currently specifically allowed. Carl Bittenbender agreed to attempt a first cut at proposed wording changes.

Tim Shaw will attempt to make changes to the currently proposed code changes on permits and fuel powered equipment and pass them to Joe Hinks and Maureen for their feedback prior to presenting this to the Council for a first reading.

The SBCCC will meet every other month, starting in June, on the third Friday of the month at 2:00pm EST. Additional meetings may be scheduled if the workload requires this.

The public is always welcome to attend these meetings and time will be set aside for public comment.
